# 9th Annual Next Practices in Healthcare Forum

## How Innovation & Technology Will Change Healthcare Boundaries

**January 29, 2020** 5:00pm-8:30pm

Large-scale disruption will continue in the life sciences and healthcare sector- defined by radically interoperable data, open yet secure platforms, and consumer-driven care. What can you expect in 2020 and beyond from employer, provider and patient perspectives?

**UCI Beall**  
Applied Innovation

5270 California Ave  
Irvine, California

### Topics Include:

- ▶ Data and platforms: Identify how health systems are using blockchain and AI insights for decision-making.
- ▶ Well-being and care delivery: Discover how current disruptive innovations make a major difference in how healthcare is reshaped in the future.
