Scott Hamilton
CEO,
Executive Next Practices Institute
Managing Director,
Nextworks Strategy

Jayson Duncan
Miller Farm Media
Practice Leader,
Communications
Nextworks Strategy

CEOs and their teams are now actively setting up their strategic planning sessions to formulate their plans for 2022 and beyond:

- ▶ How to accurately forecast market trends, talent needs and customer expectations in this environment?
- ▶ What new strategic tools are available for ideation, adaptability & execution?
- ▶ “How do you engage your entire working force...”, in a hybrid environment for improved decision making, inclusion and aligned results?
