

# Healthcare Next Practices 2025

## A Preview of Transformations: Metaverse to Genomic-based Medicine

1.5 Face-to-Face Credits

**November 9, 2022 5:00PM to 8:30PM**

Held at UCI Beall  
Applied Innovation

Join Executive Next Practice and ACHE SoCA as a panel of experts provide insights into Meta health, precision medicine, and social trends that, by the year 2025, allow for some very dramatic changes in the concept of healthcare delivery.
